

Fruit of the Womb
Client Feedback Form
For Birth-Related Services

Thank you so much for choosing to work with me! I really appreciate your honest feedback, as it truly informs how I care for future clients. At the end of this form is a link to submit a Google Review, which really helps me reach more clients. Word of mouth referrals are the greatest compliment I can receive from past clients. Thank you so much for taking the time to fill out this form and post a review, and please keep in touch!

What did Nets do that was most helpful to you and/or your family as your doula/midwife/birth assistant/childbirth educator/craniosacral therapist?

What else did you wish she would have done for you within the scope of the role(s) she was hired to play?

Is there anything you wish she had not done?

How well prepared did you feel for labor and birth and the postpartum period?

What do you wish you would have known or done? Is there anything you would have done differently?

Any other feedback, suggestions, requests, or ideas for me or my future clients?

May I use your feedback on my website and promotional materials? If so, how would you prefer to be named (e.g. anonymously, initials, first name only, full name, etc.)?

Do you have images from your experience that you would like to share? Y/N
May I post any of them on social media and/or my website? Y/N/certain ones

If so, please email or text them to me at 240-997-5319 or netsitsah@hotmail.com, and indicate whether I may/not post them on my website and/or social media and how to attribute them, if at all.
